B.B.A.(C.A.)

(Bachelor of Business Administration - Computer Application)

[Previously known as (B.C.A.)]

About the Department:

Bachelor of Computer Application (B.C.A.) degree course is affiliated to Savitribai Phule Pune University. This course has been started since 2005-06 in our college. The nomenclature of this course has been changed to B.B.A. (C.A.) i.e. Bachelor of Business Administration with Computer Application from 2015-16.

The aim of BCA department is to provide adequate, deep & update knowledge of computer at under graduate level. Well equipped laboratory is available to mould the incumbent into a technically sound and disciplined competitor in the present world.

This department creates not only technocrats but also works on personality development of students. Department also helps to improve communication skills of the students.

The curriculum is continuously updated as per the requirement of IT industries. Students of 5th & 6th semester are required to do Project work throughout the year.

The department has well qualified and experienced faculty members, who are always ready to guide the students. Faculty members of this department have attended many workshops to improve their skills in teaching field. We are not only providing technical knowledge but also guide students to be good human beings.

We are successfully running this course from 2005-06.

Our Features:

- 1) Full time professional course.
- 2) Well qualified faculty.
- 3) Personal attention to each & every student.
- 4) Well equipped laboratory.
- 5) Provides co-curricular as well as extra-curricular activities.
- 6) Students can participate in "Earn & learn scheme."
- 7) Fees according to rules & regulations as per norms of SPPU & Govt. Of Maharashtra.
- 8) Installment facility is available.
- 9) Free ship & Scholarship facility is available.
- 10) Students can participate in N.S.S. as well as in Sports.

Aims & Objectives:

The focus of this course is to provide deep, adequate and update knowledge of computers to the students.

The department focuses on two main objectives:

- To groom Computer Professionals who can be directly employed.
- To make the students competent to pursue higher studies like MCA, MBA, etc.

The course has been designed by Savitribai Phule Pune University keeping in mind the following objectives-

1. **Communication skills** - through Seminars.
2. **Ability to work in a team** - through Project Work.
