Department of Computer Science.

About the Department:

Year of Establishment 1998. First BCS batch pass-out Year 2000. First MCS pass-out Year 2002. Old Name - Bachelor of Computer Science (BCS). New name - B. Sc. Computer Science.

The only Department under Science faculty of the College. Most vibrant Department participating in all the major activities of the College for the students and the staff.

Department is giving the very important IT infrastructure support to all the other Departments and the Administration of the College too.

In the current era of Information Technology Department is playing a very vital role.

Many programs are conducted by the Department in the interest of the students, the staff and community as a whole. Guest Lectures, Visiting faculty lectures, Seminars, Group Discussions, Workshops, Industrial Training and Industrial Visits, Internship, Live Projects, Community/ faculty support services like Blood Donation Camp, E-waste awareness and collection drive, No-vehicle day, Online Payment training, Swacch-Bharat Abhiyan, Use of ICT in Teaching & Learning etc. are to name a few among many.

Our E-Lectures are popular on You- Tube. We have been publishing Online E-Magazine since many years.

The students are eager and are supported by the department to participate in the Intercollegiate and University Level Project Competitions like Avishkar.

The department has well-equipped laboratories like Computer Lab., Electronics Lab. and a Departmental Library at the respective Labs with good collection of books and periodicals like IT, PC-Quest, Electronics For You etc.

Free Internet facility is extended to all the students on demand for their self-study work, project work or for other references as well.
