M.SC. (COMPUTER SCIENCE)

Department Details:

About the Department

M.SC.(CS) course is affiliated to Savitribai Phule Pune University. This course has been started in 2001. There is one division for M.Sc.(CS), with the intake capacity of 30. The aim of M.SC(CS) department is to provide adequate, deep & update knowledge of computer. The department has dedicated Well equipped laboratory to keep the students at par with the latest trends and techniques in the IT field.

This department creates not only technocrats but also works on personality development of students. Department also helps to improve communication skills of the students. The curriculum is continuously updated as per the requirement of IT industries.

The department has well qualified and experienced faculty members, who are always ready to guide the students. Many staff members have published books and also hold positions in Syllabi revision committees, Paper setting and Evaluation panels etc. We are not only providing technical knowledge but also guide students to be good human beings.

Our Features:

- 1) Well qualified faculty.
- 2) Personal attention to each & every student.
- 3) Well equipped laboratory.
- 4) Provides co-curricular as well as Extra-curricular activities.
- 5) Installment Fee facility is available.

Aims & Objectives:

The department aims to impart education that intends to generate adequate human resources trained in the field of Computer Science to meet the requirement of trained personnel for the promotion of research and software development in India as well as abroad.

Eligibility:

The candidate should have a B.Sc. degree with Computer Science as principal subject.

Faculty Profile:

Sr. No	Faculty Name	Qualification
1	Prof. Subanggi Paatil (Co-Ordinator)	M.Sc. (Computer Science)
2	Prof. Rajendrra Lelle	M.Sc. (Electronics)
3	Prof Chitra Mandlik	M.Sc. (Computer Science)
4	Prof. Archana Taru	M.Sc. (Computer Science)
5	Prof. Vinayak More	M.Sc. (Computer Science)
6	Prof.AmrutaDeshpande	M.E.
