

7.3.1 - Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Vision: To enable our students for facing challenges of globalization. To make them self-sufficient, self-reliant and encourage them to become self-employed. Mission: 1. To empower the students of the disadvantaged classes of society. 2. To create health and environmental awareness among the students. 3. To nurture the scientific and technological aptitude in the students. 4. To cultivate moral, ethical, social and cultural values among the students. 5. To inculcate the principles of Democracy in the students for the national development. Our Vision: "To enable our students for facing challenges of globalization".

Our institute believes that 21st century is an era of globalization and all countries are under its umbrella. Globalization has specific quality norms and expectations from its stake holders. Our institute has started traditional courses such as B.COM. in 1983 and B.A. in 1988. By considering future demands in the field of business and software industry, we have taken special efforts to establish B. Sc. Computer Science (1998), M. Sc. Computer Science (2001), BBA (Bachelor of Business Administration ) BBA(CA) ((Bachelor of Business Administration Computer Application) in 2006 to meet the expectations of globalization. We would like to share the performance of the institution in last 5 years to fulfill our vision statement and thrust area. We have tried our best to reach the students to acquire such professional and skill oriented education in computer science and business administration. Courses have started with only 10 to 12 students in the beginning and now we have reached to the sufficient intake. We have organized basic autonomous certificate courses such as Android and I-phone Web Designing Foreign Language (American English ) Dot Net Robotics For B.A., B.Com department Tally Proficiency in English Banking, Insurance courses were organized. All these courses help the students to acquire skill-sets required to match the need of the Industries. These courses equip students with global competencies so that they could face the changing trends of Industry successfully. We also organized activity such as project competition every year which encourage to develop software and use of programming languages to the students of computer science department. We published student magazines on various topics every year which gives an exposure to

understand new current IT related issues."Techno-trends", "Emerging Trends in computer science" (Research Papers by students), published by Computer Science department. Students from BBA department published magazine "Phoenix" every year which included the topics like Recent trends in management Success stories of TATA Management thinkers Historical overview of Management in Indian perspective Successful women entrepreneur and CEOs in India Make in India Exhibitions are also organized by BBA department. Students participated and prepared exhibits on following topics International Currency Exhibition Top International Companies in India Top Successful Indian Entrepreneurs Creativity and Innovations Indian Industrial Sectors Project Make in India Marathi Udyojak Students have participated in the intercollegiate, zonal level competitions, Special workshops and seminars such as "Career Guidance," "Path of success", "Tension free success" Preplacement activities and soft-skill programmes for their overall development.
